INFORMATION CIRCULAR

(As at June 10, 2026 except as indicated)

XXIX METAL CORP. (the "**Company**") is providing this information circular (the "**Information Circular**") and a form of proxy in connection with management's solicitation of proxies for use at the annual general and special meeting (the "**Meeting**") of the Company to be held on Tuesday, July 28, 2026 at 9:00 a.m. (EST) and at any adjournments thereof. The Company will conduct its solicitation by mail and officers and employees of the Company may, without receiving special compensation, also telephone or make other personal contact. The Company will pay the cost of solicitation.

NOTICE-AND-ACCESS

The Company has elected to use the notice and access provisions ("**Notice and Access Provisions**") for the Meeting pursuant to National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") with respect to the mailing to both registered and beneficial Shareholders. The Notice and Access Provisions allow the Company to post proxy-related materials both on SEDAR+ and a non-SEDAR+ website, rather than delivering the materials by mail. Shareholders will receive a Notice of Meeting and a form of proxy or voting instruction form and may choose to receive a printed paper copy of the Information Circular or other Meeting Materials, free of charge to the Shareholder.

The Company is not using procedures known as 'stratification' in relation to the Notice and Access Provisions. Stratification occurs when a reporting issuer using the Notice and Access Provisions provides a paper copy of the Information Circular to some, but not all, Shareholders with the Notice of Meeting.

APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the "**Management Proxyholders**").

A Shareholder has the right to appoint a person other than a Management Proxyholder, to represent the Shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a Shareholder.

VOTING BY PROXY

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the

matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The Company is offering its Shareholders the option to listen and participate (but not vote) at the Meeting by conference call at:

Conference call participation:
North America Toll-Free: 1 877 234 4610
Local (Toronto): 416 883 8981
Participant Conference Access code: 4872953 #

Shareholders will not be able to vote through the conference call; however, there will be a question and answer session following the termination of the formal business of the Meeting during which Shareholders attending the conference call can ask questions.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

NON-REGISTERED HOLDERS

Only Shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Company are "non-registered" Shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a "**Nominee**"). If you purchased your shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the Meeting Materials, being the notice of meeting, this Information Circular and the proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting Materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy

provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners" ("**NOBOs**"). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("**OBOs**").

In accordance with the requirements of NI 54-101, the Company has elected to send the Meeting Materials directly to NOBOs. If the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

The Company does not intend to pay for Nominees to deliver the Meeting Materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting Materials unless their Nominee assumes the costs of delivery.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a Shareholder, his or her attorney authorized in writing or, if the Shareholder is a company, a company under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Common Shares without par value, of which 418,498,524 Common Shares were issued and outstanding as at June 10, 2026 (the "**Record Date**"). Persons who are Registered Shareholders at the close of business on the Record Date, will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held. The Company has only one class of shares.

To the knowledge of the directors and executive officers of the Company, no person beneficially owns, controls or directs, directly or indirectly, shares carrying 10% or more of the voting rights attached to all shares of the Company.

Oversight and Description of Director and Name Executive Officer Compensation

The Company's compensation philosophy for its NEOs is designed to attract well qualified individuals in what is essentially an international market by paying competitive base management fees plus short and long-term incentive compensation in the form of Options, RSUs or other suitable long-term incentives. In making its determinations regarding the various elements of executive compensation, the Board has access to and relies on published studies of compensation paid in comparable businesses.

The duties and responsibilities of the CEO are typical of those of a business entity of the Company's size in a similar business and include direct reporting responsibility to the Board, overseeing the activities of all other executive and management consultants, representing the Company, providing leadership and responsibility for achieving corporate goals and implementing corporate policies and initiatives.

Elements of Compensation

The Company's executive compensation policy consists of an annual base fee and long-term incentives in the form of Options and RSUs granted under the Equity Incentive Plans.

The base salaries paid to officers of the Company are intended to provide fixed levels of competitive pay that reflect each officer's primary duties and responsibilities and the level of skill and experience required to successfully perform their role. The Company intends to pay base fees to officers that are competitive with those for similar positions in the mining industry to attract and retain executive talent in the market in which the Company competes for talent. Base fees of officers are reviewed annually by the Board of Directors.

The incentive component of the Company's compensation program is the potential long-term reward provided through the grant of Options or RSUs. The Equity Incentive Plans are intended to attract, retain and motivate officers and Directors of the Company in key positions, and to align the interests of those individuals with those of the Shareholders. The Equity Incentive Plans provide such individuals with an opportunity to acquire a proprietary interest in the Company's value growth through the exercise of Options or settlement RSUs. Options and RSUs are granted at the discretion of the Board of Directors, which considers factors such as how other junior exploration companies grant Options and RSUs, and the potential value that each participant is contributing to the Company. The number of Options and RSUs granted to an individual is based on such considerations. Options are granted at an exercise price of not less than the prevailing market price of the Common Shares at the time of the grant, and for a term of exercise not exceeding ten years. RSUs are granted with a vest date that is as least one year following the date of issue, and any RSUs must vest and be exercised by December 31 of the third full calendar year commencing after the grant date.

The Company has not currently identified specific performance goals or benchmarks as such relate to executive compensation, but from time to time does review compensation practices of companies of similar size and stage of development to ensure the compensation paid is competitive within the Company's industry. The stage of the Company's development and the small size of its specialized management team allow frequent communication and constant management decisions in the interest of developing Shareholder value as a primary goal.

Compensation Policies and Risk Management

The Board of Directors considers the implications of the risks associated with the Company's compensation policies and practices when determining rewards for its officers. Commenced in 2018, the Board of Directors intends to review at least once annually the risks, if any, associated with the Company's compensation policies and practices at such time.

Executive compensation is comprised of short-term compensation in the form of a base fee and long-term ownership through the Equity Incentive Plans. This structure ensures that a significant portion of executive compensation (Options and RSUs) is both long-term and "at risk" and, accordingly, is directly linked to the achievement of business results and the creation of long term Shareholder value. As the benefits of such compensation, if any, are not realized by officers until a significant period of time has passed, the ability of officers to take inappropriate or excessive risks that are beneficial to their compensation at the expense of the Company and the Shareholders is extremely limited. Furthermore, the short-term component of executive compensation (base salary) represents a relatively small part of the total compensation. As a result, it is unlikely an officer would take inappropriate or excessive risks at the expense of the Company or the Shareholders that would be beneficial to their short-term compensation when their long-term compensation might be put at risk from their actions.

Due to the small size of the Company and the current level of the Company's activity, the Board of Directors is able to closely monitor and consider any risks which may be associated with the Company's compensation policies and practices. Risks, if any, may be identified and mitigated through regular Board meetings during which financial and other information of the Company are reviewed. No risks have been identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

Hedging of Economic Risks in the Company's Securities

The Company has not adopted a policy prohibiting Directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the Company's securities granted as compensation or held, directly or indirectly, by Directors or officers. However, the Company is not aware of any Directors or officers having entered into this type of transaction.

The Company has no contracts with any Named Executive Officer other than as described above under the heading "*Employment, consulting and management agreements".*

Pension disclosure

The Company does not have a pension plan that provides for payments or benefits to the Named Executive Officers at, following, or in connection with retirement.

In setting the compensation, the independent Directors annually reviews the performance of the CEO and senior management in light of the Company's objectives.

AUDIT COMMITTEE CHARTER

The Audit Committee's Charter

I. Mandate

The primary function of the audit committee (the "**Committee**") is to assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by XXIX Metal Corp. (the "**Company**") to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting, and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements.
- Review and appraise the performance of the Company's external auditors.
- Provide an open avenue of communication among the Company's auditors, financial and senior management and the Board of Directors.

II. Composition

The Committee shall be comprised of three directors as determined by the Board of Directors, the majority of whom shall be free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Committee.

At least one member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Company's Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee shall be elected by the Board of Directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

III. Meetings

The Committee shall meet a least twice annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

IV. Responsibilities and Duties

To fulfill its responsibilities and duties, the Committee shall:

Documents/Reports Review

7. Recommend to the Board of Directors the selection and, where applicable, the replacement of the external auditors nominated annually for shareholder approval.

9. Review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditors of the Company.
10. Review with management and the external auditors the audit plan for the year-end financial statements and intended template for such statements.
11. Review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:

    i. the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of revenues paid by the Company to its external auditors during the fiscal year in which the non-audit services are provided;

    ii. such services were not recognized by the Company at the time of the engagement to be non-audit services; and

    iii. such services are promptly brought to the attention of the Committee by the Company and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board of Directors to whom authority to grant such approvals has been delegated by the Committee.

Provided the pre-approval of the non-audit services is presented to the Committee's first scheduled meeting following such approval such authority may be delegated by the Committee to one or more independent members of the Committee.

(a) the percentage of shares reserved shall not exceed 10% of the total number of issued and outstanding Shares on a non-diluted basis at the time of the grant;

(b) to Insiders (as a group) must not exceed 10% of the issued and outstanding at any point in time (unless the Company has obtained disinterested Shareholder approval);

(g) to Eligible Charitable Organizations (as a group) shall not exceed 1% of the total number of issued and outstanding Shares on a non-diluted basis on the Grant Date, and Eligible Charitable Organizations shall not be eligible to receive any Security Based Compensation other than Options if the Shares are listed on the TSX Venture Exchange at the time of any issuance or grant.

3.3 Option Agreements

Each Option shall be confirmed by the execution of an Option Agreement. Each Optionee shall have the option to purchase from the Company the Option Shares at the time and in the manner set out in the Plan and in the Option Agreement applicable to that Optionee. In respect of Options granted to Employees, Consultants, Consultant Companies or Management Company Employees, the Company and the Optionee is representing herein and in the applicable Option Agreement that the Optionee is a bona fide Employee, Consultant, Consultant Company or Management Company Employee, as the case may be, of the Company or its subsidiary. 4. EXERCISE OF OPTION

4.1 When Options May be Exercised

Subject to Sections 4.3, 4.4 and 4.5, an Option may be exercised to purchase any number of Shares up to the number of Vested Unissued Option Shares at any time after the Grant Date up to 4:00 p.m. Pacific Time on the Expiry Date and shall not be exercisable thereafter. In the event that the Expiry Date of an Option falls during a trading blackout period imposed by the Company (the "Blackout Period"), the Expiry Date of such Option shall automatically be extended to a date which is ten (10) trading days following the end of such Blackout Period (the "Extension Period"), subject to no cease trade order being in place under applicable securities laws; provided that if an additional Blackout Period is subsequently imposed by the Company during the Extension Period, then such Extension Period shall be deemed to commence following the end of such additional Blackout Period to enable the exercise of such Option within ten (10) trading days following the end of the last imposed Blackout Period.

4.2 Manner of Exercise

The Option shall be exercisable by delivering to the Company a notice specifying the number of Option Shares in respect of which the Option is exercised together with one of the following forms of consideration, subject to applicable securities laws and other applicable laws:

(a) *Cash Exercise* – Consideration may be paid by an Optionee delivering a cheque payable to the Company or such other method of cash payment as is acceptable to the Company in the amount of the Option Price. Delivery of the Optionee's cheque payable to the Company or such other method of cash payment, as the case may be, shall constitute payment of the Option Price unless the cheque or other method of cash payment, as the case may be, is not honoured upon presentation in which case the Option shall not have been validly exercised.

(b) *Cashless Exercise* – Subject to approval from the Board and further subject to the Shares being traded on the Exchange, consideration may be paid by an Optionee as follows: (i) a brokerage firm loans money to the Optionee in order for the Optionee to exercise Options to acquire the underlying Shares (the "**Loan**"); (ii) the brokerage firm then sells a sufficient number of Shares to cover the Option Price for the Options that were exercised by the Optionee in order to repay the Loan; and (iii) the brokerage firm receives an equivalent number of Shares from the exercise of the Options and the Optionee receives the balance of the Shares or the cash proceeds from the balance of such Shares (collectively, the "**Cashless Exercise**").

(c) *Net Exercise* – Subject to approval from the Board and further subject to the Shares being traded on the Exchange, consideration may be paid by reducing the number of Shares otherwise issuable under the Options such that, in lieu of a cash payment to the Company, an Optionee, excluding Investor Relations Service Providers, only receives the number of Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Shares and the Option Price of the subject Options; by (ii) the VWAP of the underlying Shares (collectively, the "**Net Exercise**").

In the event of a Cashless Exercise or Net Exercise, the number of Options exercised, surrendered or converted, and not the number of Shares actually issued by the Company, must be included in calculating the limits set forth in Section 3.2 hereof.

Upon notice and payment there will be a binding contract for the issue of the Option Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan.

4.3 Vesting of Option Shares

The Board, subject to the policies of the Exchanges, may determine and impose terms upon which each Option shall become Vested in respect of Option Shares. Unless otherwise specified by the Board at the

time of granting an Option, and subject to the other limits on Option grants set out in Section 3.2 hereof, all Options granted under the Plan shall vest and become exercisable in full upon grant, except Options granted to Investor Relations Service Providers, which Options must vest in stages over twelve months with no more than one-quarter of the Options vesting in any three month period.

4.4 Termination of Employment

If an Optionee ceases to be an Eligible Person, his or her Option shall be exercisable as follows:

(a) Death or Disability

If the Optionee ceases to be an Eligible Person, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of:

(i) 365 days after the date of death or Disability; and

(ii) the Expiry Date;

(b) Termination For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause as that term is interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of a Management Company Employee or a Consultant Company, of the Optionee's employer, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination, whether in respect of Option Shares that are Vested or not, shall be cancelled as of that date.

(c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days (30 days if the Optionee was engaged in Investor Relations Activities) after the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person.

(d) Spin-Out Transactions

If pursuant to the operation of subsection 5.3(c) an Optionee receives options (the "**New Options**") to purchase securities of another company (the "**New Company**") in respect of the Optionee's Options (the "**Subject Options**"), subject to the prior approval of the Exchanges, the New Options shall expire on the earlier of: (i) the Expiry Date of the Subject Options; (ii) if the Optionee does not become an Eligible Person in respect of the New Company, the date that the Subject Options expire pursuant to subsection 4.4(a), (b) or (c), as applicable; (iii) if the Optionee becomes an Eligible Person in respect of the New Company, the date that the New Options expire pursuant to the terms of the New Company's stock option plan that correspond to subsection 4.4(a), (b) or (c) hereof; and (iv) the date that is one (1) year after the Optionee ceases to be an Eligible Person in respect of the New Company or such shorter period as determined by the Board.

(e) Eligible Charitable Organizations

If the Optionee ceases to be an Eligible Person due to no longer being an Eligible Charitable Organization, the Options then held by that Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days after the date the Optionee ceases to be an Eligible Person.

Notwithstanding the foregoing, the Board may, in its sole discretion if it determines such is in the best interests of the Company and subject to the policies of the Exchanges, extend the early Expiry Date (as set out above in this Section 4.4) of any Option held by an Optionee who ceases to be an Eligible Person to a later date within a reasonable period, subject to such period not exceeding 12 months from the date the Optionee ceases to be an Eligible Person.

For purposes of this Section 4.4, the dates of death, Disability, termination, retirement, voluntary resignation, ceasing to be an Eligible Person and incapacity shall be interpreted to be without regard to any period of notice (statutory or otherwise) or whether the Optionee or his or her estate continues thereafter to receive any compensatory payments from the Company or is paid salary by the Company in lieu of notice of termination.

For greater certainty, an Option that had not become Vested in respect of certain Unissued Option Shares at the time that the relevant event referred to in this Section 4.4 occurred, shall not be or become vested or exercisable in respect of such Unissued Option Shares and shall be cancelled.

4.5 Effect of a Take-Over Bid

If a *bona fide* offer (an "**Offer**") for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the Securities Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon (subject to the approval of the Exchanges with respect to Investor Relations Service Providers) all Option Shares subject to such Offer will become Vested and the Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

(a) the Offer is not completed within the time specified therein; or

(b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become Vested pursuant to Section 4.3 shall be reinstated. If any Option Shares are returned to the Company under this Section 4.5, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

4.6 Acceleration of Expiry Date

If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, the Board may, upon notifying each Optionee of full particulars of the Offer and subject to the approval of the Exchanges with respect to Investor Relations Service Providers, declare all Option Shares issuable upon the exercise of Options granted under the Plan, Vested, and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer. The Board shall give each Optionee as much notice as possible of the acceleration of the Options under this Section, except that not less than 5 business days of notice is required and more than 30 days of notice is not required.

4.7 Compulsory Acquisition or Going Private Transaction

If and whenever, following a take-over bid or issuer bid, there shall be a compulsory acquisition of the Shares pursuant to Division 6 of the *Business Corporations Act* (British Columbia) or any successor or similar legislation, or any amalgamation, merger or arrangement in which securities acquired in a formal take-over bid may be voted under the conditions described in Section 8.2 of Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions*, then following the date upon which such compulsory acquisition, amalgamation, merger or arrangement is effective, an Optionee shall be entitled to receive, and shall accept, for the same exercise price, in lieu of the number of Option Shares to which such Optionee was theretofore entitled to purchase upon the exercise of his or her Options, the aggregate amount of cash, shares, other securities or other property which such Optionee would have been entitled to receive as a result of such bid if he or she had tendered such number of Option Shares to the take-over bid.

4.8 Effect of a Change of Control

If a Change of Control occurs, all Option Shares subject to each outstanding Option will become Vested, whereupon such Option may be exercised in whole or in part by the Optionee, subject to the approval of the Exchanges with respect to Investor Relations Service Providers or if otherwise necessary.

4.9 Exclusion from Severance Allowance, Retirement Allowance or Termination Settlement

If the Optionee, or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Option Shares which were not Vested at that time or which, if Vested, were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

4.10 Shares Not Acquired

Any Unissued Option Shares not acquired by an Optionee under an Option which has been settled in cash, cancelled, terminated, surrendered, forfeited or expired without being exercised may be made the subject of a further Option pursuant to the provisions of the Plan.

5. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

5.1 Share Reorganization

Subject to the prior approval of the Exchanges (other than in the case of a Share subdivision or consolidation), whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a “Share Reorganization”) then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

(a) the Option Price will be adjusted to a price per Share which is the product of:

(i) the Option Price in effect immediately before that effective date or record date; and

(ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and

(b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subsection 5.1(a)(ii).

Any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this Section 5.1 is subject to compliance with the limits set out in Section 3.2 and, if any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this Section 5.1 would result in any limit set out in Section 3.2 being exceeded, then the Company may, if determined by the Board in its sole and unfettered discretion (subject to the prior approval of the Exchanges), make payment in cash to the Optionee in lieu of increasing the number of Unissued Option Shares in order to properly reflect any diminution in value of the Option Shares as a result of such Share Reorganization.

5.2 Special Distribution

Subject to the prior approval of the Exchanges, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares;

(a) shares of the Company, other than the Shares;

(b) evidences of indebtedness;

(c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board has determined to be outside the normal course); or

(d) rights, options or warrants;

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a "**Special Distribution**"), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

Any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this Section 5.2 is subject to compliance with the limits set out in Section 3.2 and, if any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this Section 5.2 would result in any limit set out in Section 3.2 being exceeded, then the Company may, if determined by the Board in its sole and unfettered discretion (subject to the prior approval of the Exchanges), make payment in cash to the Optionee in lieu of increasing the number of Unissued Option Shares in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

5.3 Corporate Organization

Subject to the prior approval of the Exchanges, whenever there is:

(a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in Sections 5.1 or 5.2;

(b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities;

(c) an arrangement or other transaction under which, among other things, the business or assets of the Company become, collectively, the business and assets of two or more companies with the same shareholder group upon the distribution to the Company's shareholders, or the exchange with the Company's shareholders, of securities of the Company, or securities of another company, or both; or

(d) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation,

(any such event being herein called a "**Corporate Reorganization**") the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he/she would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he/she would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he/she had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Board.

5.4 Determination of Option Price and Number of Unissued Option Shares

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Board may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

5.5 Regulatory Approval

Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of Sections 5.1, 5.2 or 5.3 is subject to the prior approval of the Exchanges and any other governmental authority having jurisdiction. Notwithstanding the foregoing, adjustments pursuant to Section 5.1 due to a Share subdivision or consolidation do not require prior TSX Venture Exchange approval.

6. MISCELLANEOUS

6.1 Right to Employment

Neither this Plan nor any of the provisions hereof shall confer upon any Optionee any right with respect to employment or continued employment with the Company or any subsidiary of the Company or interfere in any way with the right of the Company or any subsidiary of the Company to terminate such employment.

6.2 Necessary Approvals

The Plan shall be effective upon the approval of the Plan by the Board and the Exchange or any regulatory authority having jurisdiction over the securities of the Company and shall be ratified thereafter by the shareholders of the Company by way of an ordinary resolution at the next duly convened meeting of the shareholders of the Company. Disinterested shareholder approval (as required by the Exchanges) will be obtained for any reduction in the exercise price, or any extension of the term, of any Option granted under this Plan if the Optionee is an Insider of the Company at the time of the proposed amendment. In addition, any amendment to an Option (including any cancellation of an Option and subsequent grant of a new Option to the same Person within one year) that results in a benefit to an Insider of the Company at the time of amendment will be subject to disinterested shareholder approval (as required by the Exchanges). The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to the approval of the Exchanges and any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including, without limitation, the failure to obtain such approval, then the obligation of the Company to issue such Shares shall terminate and any Option Price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.

6.3 Administration of the Plan

The Board shall, without limitation, have full and final authority in their discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in Section 5.4 and subject to any required prior Exchange approval, the interpretation

and construction of any provision of the Plan by the Board shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.

6.4 Withholding Taxes

The exercise of each Option granted under the Plan is subject to the condition that if at any time the Company determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such exercise, such exercise is not effective unless such withholding has been effected to the satisfaction of the Company. In such circumstances, the Company may require that the Optionee pay to the Company, in addition to and in the same manner as the exercise price for the Shares, such amount as the Company is obliged to remit to the relevant tax authority in respect of the exercise of the Option. Alternatively, the Company shall have the right in its discretion to satisfy any such liability for withholding or other required deduction amounts by retaining or acquiring any Shares acquired upon exercise of any Option, or retaining any amount payable, which would otherwise be issued or delivered, provided or paid to an Optionee by the Company, whether or not such amounts are payable under the Plan. For greater certainty, the application of this Section 6.4 to any exercise of an Option shall not conflict with the policies of the Exchanges that are in effect at the relevant time and the Company will obtain prior Exchange acceptance and/or shareholder approval of any application of this Section 6.4 if required pursuant to such policies.

6.5 Amendments to the Plan

The Board may from time to time, subject to applicable law and to the prior approval, if required, of the shareholders (or disinterested shareholders, if required), Exchanges or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Option previously granted to an Optionee under the Plan without the consent of that Optionee.

6.6 Form of Notice

A notice given to the Company shall be in writing, signed by the Optionee and delivered to the head business office of the Company.

6.7 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

6.8 Compliance with Applicable Law

If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

6.9 No Assignment or Transfer

No Optionee may assign or transfer any of his or her rights under the Plan or any option granted thereunder. Notwithstanding the foregoing, where permitted under applicable policies of the Exchanges, companies that are wholly owned by Eligible Persons may be issued Options.

6.10 Rights of Optionees

An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering).

6.11 Previously Granted Options

Stock options which are outstanding under pre-existing stock option plan(s) of the Company as of the effective date of this Plan shall continue to be exercisable and shall be deemed to be governed by and be subject to the terms and conditions of this Plan except to the extent that the terms of this Plan are more restrictive than the terms of such pre-existing plan(s) under which such stock options were originally granted, in which case the applicable pre-existing plan(s) shall govern, provided that any stock options granted, issued or amended after November 23, 2021 must comply with TSXV Policy 4.4 - *Incentive Stock Options (as at November 24, 2021)*.

6.12 Conflict

In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

6.13 Governing Law

The Plan and each Option Agreement issued pursuant to the Plan shall be governed by the laws of the province of British Columbia.

6.14 Time of Essence

Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.

6.15 Entire Agreement

This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionees relative to the subject matter hereof and supersedes all prior agreements, undertakings and understandings, whether oral or written.

Subject to any specific variations approved by the Board, all terms and conditions set out herein will be deemed to be incorporated into and form part of each RSU Agreement made hereunder.

(b) An account ("**Account**") shall be maintained by the Corporation for each Participant and will show the RSUs credited to a Participant from time to time.

4.2 Shares Reserved

The maximum number of Shares which may be reserved for issuance under the Plan at any time shall be a number of Shares equal to 10% of the issued and outstanding Shares from time to time, such number to include all Shares issuable pursuant to any other Securities Based Compensation (as such term is defined in the policies of the TSXV) plans in place for the Corporation from time-to-time, including, but not limited to, the Corporation's Stock Option Plan, subject to adjustment under Section 6.1 (the "**Plan Limit**").

For purposes of determining the number of Shares that remain available for issuance under the Plan, the number of Shares underlying any grants of RSUs that are surrendered, forfeited, waived and/or cancelled shall be added back to the Plan Limit and again be available for future grant, whereas the number of Shares underlying any grants of RSUs that are issued shall not be available for future grant.

4.4 Limitations of RSUs to any One Person and to Insiders

(a) Notwithstanding any other provision of this Plan, unless disinterested Shareholder Approval is obtained (or unless permitted otherwise by the rules of the Stock Exchange):

(i) the maximum number of Shares which may be reserved for issuance to Insiders under the Plan, together with any other Share Compensation Arrangement, may not exceed 10% of the issued Shares at any point in time;

4.5 Credits for Dividends

A Participant's Account shall be credited with a Dividend Equivalent in the form of additional RSUs only if the Board, in its sole discretion, so determines. (b) For each calendar year ending after the effective date of the Plan, the Board may designate one or more Performance Periods under the Plan. In respect of each such designated Performance Period and subject to the terms of the Plan, the Board may from time to time establish the Grant Date and grant to any Eligible Person one or more RSUs as the Board deems appropriate. It shall be the responsibility of the Corporation and the Eligible Person to ensure that such Eligible Person is a bona fide Eligible Person.

(c) The Board shall make all other determinations with respect to the Performance Period as the Board considers in its sole discretion to be necessary or desirable under the Plan, including, without limitation, the date or dates within such Performance Period and such other terms and conditions, if any, on which all or a portion of such RSUs (and corresponding Dividend Equivalents) credited to a Participant's Account shall vest (to be set forth in the RSU Agreement), provided that no RSUs (and corresponding Dividend Equivalents) may vest when prohibited by or in breach of Applicable Law.

(d) Notwithstanding any other provision of the Plan excepting 4.6(a) above, the Board may in its sole and absolute discretion accelerate and/or waive any vesting or other conditions for all or any RSUs (and corresponding Dividend Equivalents) for any Participant at any time and from time to time.

(e) In no circumstances will RSUs credited to a Participant's Account in respect of a Performance Period vest after December 31 of the third full calendar year following the Grant Date in respect of such Performance Period.

(f) Any RSUs in respect of a Performance Period that are not vested on or before December 31 of the third full calendar year following the Grant Date in respect of such RSUs shall be cancelled and no vesting, payment or issuance shall be made under the Plan in respect of such RSUs.

4.7 Third Party Offer

If an offer to purchase all of the outstanding Shares of the Corporation is made by a third party, the Board may, to the extent permitted by Applicable Law and upon giving each Participant written notice to that effect, effect the acceleration of the vesting of RSUs granted under the Plan. All determinations of the Board under this Section will be final, binding and conclusive for all purposes.

4.8 Change in Control

Upon the occurrence of a Change in Control, all the RSUs at that time outstanding but unvested shall automatically and irrevocably become vested in full.

4.9 Delivery of Shares or Cash

(a) Vested RSUs may be redeemed by a Participant, in whole or in part, at any time prior to the end of the Performance Period, subject to Black Out Periods, upon delivery of a Notice of Redemption to the Corporation in the form attached hereto as Schedule B. Upon receipt by the Corporation of a Notice of Redemption, the Corporation shall redeem the RSUs required to be redeemed pursuant to the Plan and the Notice of Redemption by issuing from treasury one Share for each full RSU to be redeemed and making a lump sum cash payment in respect of any partial Restricted Share Unit to be redeemed. Notwithstanding the foregoing, if at the time of the election the Corporation is listed on the Toronto Stock Exchange or is a Tier 1 Issuer (as defined by the TSXV), if the Board determines, the Corporation may redeem all or part of the vested RSUs subject to a Notice of Redemption by making a lump sum payment in respect of all full and partial Restricted Share Units to be redeemed, equal to the amount determined by multiplying the number of Restricted Share Units in the Participant's Account that are vested on such vesting date by the Market Price of a Share. Such payment or issuance shall take place no later than the 21st day following receipt of the Notice of Redemption.

(b) Notwithstanding Section 4.9(a), all redemptions under this Section 4.9 in respect of RSUs in Participants' Accounts that have vested in respect of a Performance Period shall be redeemed on or before December 31 of the third full calendar year following the end of the year in which such RSUs were awarded pursuant to Section 4.5.

(c) Upon delivery of Shares and/or cash in satisfaction of RSUs, such RSUs shall be cancelled from the Participant's Account.

(d) If the applicable Redemption Date for RSUs occurs during or within 10 business days of the expiration of a Black Out Period applicable to such Participant, then the Redemption Date for such RSUs shall be extended to the close of business on the tenth business day following the expiration of the Black Out Period.

4.10 Tax and Withholding Tax

Notwithstanding any other provision contained herein, in connection with the exercise of an RSU by a Participant or a Permitted Assign for Shares of the Corporation pursuant to Section 4.9(a) hereof, as a condition to such exercise (i) the Corporation shall require such Participant to pay or cause to be paid to the Corporation an amount as necessary so as to ensure that the Corporation is in compliance with the applicable provisions of any federal, provincial or local law relating to the withholding of tax or other required deductions in connection with the exercise of such RSUs (the Source Deductions); or (ii) in the event a Participant does not pay or cause to be paid the amount specified in (i), the Corporation shall be permitted to engage a broker or other agent on behalf of the Participant or Permitted Assign, at the risk and expense of the Participant, to sell a portion of the underlying Shares issued on the exercise of such RSU through the facilities of the Stock Exchange, and to apply the proceeds received on the sale of such underlying Shares as necessary so as to ensure that the Corporation is in compliance with the applicable Source Deductions relating to the exercise of such RSUs. In addition, the Corporation shall be entitled to withhold from any amount payable to a Participant, including the exercise of RSUs for a cash payment pursuant to Section 4.9(a) hereof, and either under this Plan or otherwise, such amount as may be necessary so as to ensure that the Corporation is in compliance with the applicable Source Deductions relating to the exercise of any RSU.

4.11 Termination of Employment

Unless otherwise determined by the Board, in its sole discretion, or specified in the applicable RSU Agreement:

(a) upon the voluntary resignation or the termination for cause of a Participant, all of the Participant's RSUs which remain unvested in the Participant's Account shall be forfeited without any entitlement to such Participant. If the Participant has an employment or consulting agreement with the Corporation, the term “cause” shall include any meaning given to that term in the employment or consulting agreement or, if such term is not defined in such agreement, shall mean any ground which would justify the services of the Participant to be terminated without notice or payment in lieu and/or shall have the meaning given to such term under any Applicable Law. In all cases where a Participant ceases to be an Eligible Participant pursuant to this Section 4.11(a), all RSUs which have been previously issued or vested shall expire within 12 months following the date that the Participant ceases to be an Eligible Participant pursuant to this Plan; and

(b) upon the termination without cause, the Disability, the Retirement or death of a Participant, the Participant or the Participant's beneficiary, as the case may be, shall have a number of RSUs become vested in a linear manner equal to the sum for each grant of RSUs of the original number of RSUs granted multiplied by the number of completed months of employment since the Grant Date divided by the number of months required to achieve the full vesting of such grant of RSUs reduced by the actual number of RSUs, if applicable, that have previously become vested in accordance with the Plan. Such vested RSUs shall be settled in accordance with Section 4.9. All claims pursuant to this Section 4.11(b) must be made by the Participant or the Participant’s beneficiary within 12 months following the date that the Participant ceases to be an Eligible Participant pursuant to this Plan.

4.12 No Compensation for Cancelled RSUs Awards

Section 4.12 applies regardless of whether the Participant received compensation in respect of dismissal or was entitled to a period of notice of termination which would otherwise have permitted a greater portion of the RSUs to vest with the Participant. Except as expressly permitted by the Board and the

Plan, all RSUs will cease to vest as at the date upon which the Participant ceases to be an Eligible Person. Participants will not be entitled to any compensation in respect of any part of the RSUs which was not vested.

4.13 Non-Transferability of RSUs

Unless the Board determines otherwise in its sole discretion, a Participant may transfer RSUs to a Permitted Assign, provided that the transfer is permitted by, and is effected in accordance with the then applicable policies of the Stock Exchange; for the avoidance of doubt, if the Corporation is subject to the requirements of the TSXV and such exchange so requires, RSUs shall be non-assignable and non-transferrable. Upon any such permitted transfer, the transferred RSUs shall be deemed, for purposes of the Plan, to continue to be held by the Participant, and shall continue to be subject to the terms and conditions of the Plan as if the Participant remained the sole holder thereof. The Board may, in its sole discretion, permit transfers of RSUs other than those contemplated by this Section, subject to Applicable Law and the prior approval of the Stock Exchange, if required.

4.14 Hold Period

In accordance with the policies of the TSXV, all RSUs and Shares issuable pursuant to the exercise thereof shall be subject to any applicable Resale Restrictions under Securities Laws and the Exchange Hold Period (as such terms are defined in the policies of the TSXV), if applicable.

5. AMENDMENT

5.1 Amendments

(a) The Board reserves the right, in its absolute discretion, to amend, suspend or terminate the Plan, or any portion thereof, at any time without obtaining Shareholder Approval, subject to those provisions of Applicable Law and Regulatory Approval, if any, that require Shareholder Approval. Such amendments may include, without limitation:

(i) minor changes of a “house-keeping nature”, including, without limitation, any amendment for the purpose of curing any ambiguity, error or omission in the Plan, or to correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan;

(ii) amending RSUs under the Plan, including with respect to advancing the date on which any RSU may vest, assignability and the effect of termination of a Participant, provided that such amendment does not adversely alter or impair any RSU previously granted to a Participant without the consent of such Participant;

(iii) amendments necessary to comply with the provisions of applicable law or the applicable rules of the Stock Exchange on which the Shares are then listed, including with respect to the treatment of RSUs granted under the Plan;

(iv) amendments respecting the administration of the Plan;

(v) amendments necessary to suspend or terminate the Plan; provided that such amendment does not adversely alter or impair any RSU previously granted to a Participant without the consent of such Participant; and

(vi) any other amendment, fundamental or otherwise, not requiring Shareholder Approval under Applicable Law or the applicable rules of the Stock Exchange.

(b) Notwithstanding the foregoing, the Corporation will be required to obtain Shareholder Approval for any amendment related to the following (provided that such Shareholder Approval is then a requirement of the Stock Exchange):

(i) the eligibility of a Participant in the Plan;

(ii) removing or exceeding the limits on participation in the Plan;

(iii) increasing the Plan Limit;

(iv) any amendment to the Plan allowing awards granted under the Plan to be transferable or assignable to a new beneficial owner other than for normal estate settlement purposes;

(v) any amendment that would have the effect of extending the term of an RSU beyond the original expiry;

(vi) granting additional powers to the Board to amend the Plan without Shareholder Approval; and

(vii) any amendment to the amending provisions of the Plan.

(c) Any amendment to any provision of the Plan will be subject to any necessary Regulatory Approvals.

5.2 Termination

The Board may terminate the Plan at any time in its absolute discretion. If the Plan is so terminated, no further RSUs shall be granted, but the RSUs then outstanding shall continue in full force and effect in accordance with the provisions of the Plan. For the purposes of this Section 5.2, an amendment does not include an accelerated expiry of an RSU by reason of the fact that a Director, Executive Officer, Employee or Consultant ceases to be a Participant.

6. ADJUSTMENT TO SHARES

6.1 Adjustments

Appropriate adjustments in the number of Shares subject to the Plan, as regards RSUs granted or to be granted and the number of Shares subject to RSUs, will be, subject to approval of the TSXV, conclusively determined by the Board to give effect to adjustments in the number of Shares resulting from subdivisions, consolidations, substitutions, or reclassifications of the Shares, the payment of stock dividends by the Corporation (other than dividends in the ordinary course) or other relevant changes in the capital of the Corporation or from a proposed merger, amalgamation or other corporate arrangement or reorganization involving the exchange or replacement of Shares of the Corporation for those in another corporation. Any dispute that arises at any time with respect to any such adjustment will be conclusively determined by the Board, and any such determination will be binding on the Corporation, the Participant and all other affected parties.

6.2 Further Adjustments

Subject to Section 6.1 and Applicable Law, if, because of a proposed merger, amalgamation or other corporate arrangement or reorganization, the exchange or replacement of Shares of the Corporation for those in another corporation is imminent, the Board may, in a fair and equitable manner and subject to approval of theTSXV, determine the manner in which all unvested RSUs and rights granted under the Plan will be treated including, without limitation, requiring the acceleration of the time for the vesting of such RSUs and the time for the fulfilment of any conditions or restrictions on such vesting. All determinations of the Board under this Section will be final, binding and conclusive for all purposes.

6.3 Limitations

The grant of RSUs under the Plan will in no way affect the Corporation's right to adjust, reclassify, reorganize or otherwise change its capital or business structure or to merge, amalgamate, reorganize, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets or engage in any like transaction.

7. GENERAL

7.1 Unfunded and Unsecured Plan

The Plan shall be unfunded and neither the Corporation nor any of its Related Entities will secure the Corporation's obligations under the Plan. To the extent any Participant or his estate holds rights by virtue of an award of Restricted Share Units under the Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Corporation.

7.2 Compliance with Legislation

The Plan, the grant and vesting of RSUs hereunder and the Corporation's obligation to sell and deliver Shares upon vesting of RSUs is subject to Applicable Law and to such Regulatory Approvals as may, in the opinion of counsel to the Corporation, be required. Each RSU Agreement will contain such provisions as in the opinion of the Board are required to ensure that no Shares are issued on the vesting of an RSU unless the issuance of such Shares will be exempt from all registration, qualification and prospectus requirements of securities laws of any jurisdiction and will be permitted under Applicable Law. The Corporation shall not be obliged by any provision of the Plan or the grant of any RSU hereunder to issue, sell or transfer Shares in violation of Applicable Law or any condition of any Regulatory Approval. No RSU shall be granted and no Shares issued or sold hereunder where such grant, issue or sale would require registration of the Plan or of Shares under the securities laws of any jurisdiction and any purported grant of any RSU or issue, sale or transfer of Shares hereunder in violation of this provision shall be void. In addition, the Corporation shall have no obligation to issue any Shares pursuant to the Plan unless such Shares shall have been duly listed, upon official notice of issuance, with the Stock Exchange. Shares issued and sold to Participants pursuant to the vesting of RSUs may be subject to limitations on sale or resale under Applicable Law. In particular, if required by Applicable Law, an RSU Agreement may provide that shareholder approval to the grant of an RSU must be obtained prior to the vesting of the RSU or to the amendment of an RSU Agreement.

7.3 Non-Exclusivity

Nothing contained in the Plan will prevent the Board from adopting other or additional Share Compensation Arrangements, subject to obtaining prior Regulatory Approval and, if required, Shareholder Approval.

7.4 Employment and Services

Nothing contained in the Plan or in any RSU Agreement will confer upon or imply in favour of any Eligible Person or Participant any right with respect to office, employment or provision of services with the Corporation or of any Related Entity or interfere in any way with the right of the Corporation or any Related Entity to lawfully terminate the Eligible Person or Participant's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Eligible Person will be voluntary.

7.5 Change of Status

Unless otherwise provided for herein or in an RSU Agreement, a change in the status, office, position or duties of a Participant from the status, office, position or duties held by such Participant on the date on which an RSU was granted to such Participant will not result in a change in the terms of such RSU provided that such Participant remains an Eligible Person.

7.6 No Representation or Warranty

The Corporation makes no representation or warranty as to the future market value of Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the RSUs or the Shares issued or issuable thereunder or the tax consequences to a Participant. Compliance with Applicable Law as to the disclosure and resale obligations of each Participant is the responsibility of such Participant and not the Corporation.

7.7 Rights as a Shareholder

Nothing contained in the Plan nor in any RSU granted thereunder shall be deemed to give any Participant any interest or title in or to any Shares of the Corporation or any rights as a shareholder of the Corporation or any other legal or equitable right against the Corporation whatsoever other than with respect to Shares issued following the vesting of RSUs.

7.8 Discretion of Board

The awarding of RSUs to any Eligible Person is a matter to be determined solely in the discretion of the Board. The Plan shall not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issue of any Shares or any other securities in the capital of the Corporation or any of its subsidiaries other than as specifically provided for in the Plan.

7.9 Notices

The form of all communication relating to the Plan shall be in writing and delivered by recognized overnight courier, certified mail, fax or electronic mail to the proper address or, optionally, to any individual personally. Except as otherwise provided in any RSU Agreement, all notices to the Corporation or the Board shall be addressed to: c/o the Corporation at its registered office, Attn: the Chief Financial Officer. All notices to Participants, former Participants, beneficiaries or other persons acting for or on behalf of such persons that are not delivered personally to an individual shall be addressed to such person by the Corporation or its designee at the last address for such person maintained in the records of the Board or the Corporation.
